### The Solden ski resort. A paradise of nature close to you

*Spend your wonderful holiday in Austrian Alps  
Tyrol is a gorgeous place for all lovers of nature and explorer. Spending your next holiday in Tyrol will  
be a fantastic experience.*

Hannover, 22.Dezember.2018 - [DPR] With the varied flora and fauna it provides a great view. The hotel in Vent in Tyrol has a long history. For the host family it is a passion to run this business, see old and new faces and offer a comprehensive service to all of their guests. The accommodation opened as a guesthouse in 1728. Since that it keeps its tradition, but also develops itself with the new modern standards. Guests have a big variety of rooms and suites. They all have in common, that they present a high quality furniture.

Gastronomic specialties in the Solden ski resort

At the a-la-carte restaurant every wish is welcomed. With freshly made foods and dishes and it is a delight to stop traveling around, just sit down and eat a meal. In the mornings, a rich breakfast buffet is provided, so the day starts superb. In the evenings, the hotel serves a delicious 5-course menu with fresh salad. Great food is part of an even better vacation.

A perfect summer with holidays in the Alps

For all activity junkies and explorer this place in the Alps will be perfect. The hotel stands in 1900 meters altitude and provides one of the greatest views at Tyrol. There are a lot of sportive activities to do, if you want to. In summer it is a wonderful place to hike. You can go on your own or with a group. Maybe you are interested in exploring Ötzi's trails and investigate a historical and famous part of human kind.
